

Grays Harbor County Comprehensive Land Use Plan

We need your input to help us plan the
future of land use in Greys Harbor County!

Visit **GraysHarbor2027CompPlan.com** to take
our survey and learn more about upcoming events.

Grays Harbor County is developing a new **Comprehensive Land Use Plan.**

The plan will outline how and where land use and development **in unincorporated Grays Harbor County** could occur over the next decade. The new Comprehensive Land Use Plan and related changes to zoning and development regulations will be complete in late 2026. The planning process will begin with community visioning and scoping for an Environmental Impact Statement (EIS) in summer 2025.

Join us at an event!

We will be hosting in-person events this summer to gather your feedback and ideas. Visit our website to see upcoming dates.

Take the survey!

Take our 10-15 minute survey to help us understand your concerns, interests, and priorities for the future of Grays Harbor County. The survey will be open through Friday, August 15, 2025!
